Hilltop Church Updates

We were able to go to church at Hilltop last Sunday the 19th. Luke led worship and Matt preached. There were over 40 people in attendance! It was a great service that ended with a church lunch to welcome the Hanshaw Family into their new home.

Recent Church Visits

At the beginning of this month, we along with the Hanshaw family spoke at Bethel Free Will Baptist Church in Allen, Oklahoma. It was such a fun experience. Luke played volleyball with the youth after service in his church attire. I am just glad he took off his suit jacket and tie. We also had the privilege of meeting some amazing people at the state meeting for the Gaines Creek FWB Association. The home-cooked food was amazing! We are so thankful for both everyone we met, the partnerships that were made, and the fellowship time we shared.

Life Update

Luke along with his mom was baptized last Sunday!

Dudley, Dalanee's dad, had surgery to remove his cancer on the 27th of this month. The surgery went smoothly, and he is now in recovery. The surgeon gave us the amazing news that the cancer did not have "fingers," and so he was able to cleanly remove all the tumors.

Prayer Requests

- Dudley's Recovery
- Randall University Students
